

## WANT TO GO?

### Here's what you need to know:

**WHERE:** The trip will start and finish at the Woodenbong show grounds. (Recreation Rd, Woodenbong NSW).

**WHEN:** Saturday 9th Nov 2019.

**WHAT TIME:** NOTE: all times here are based on NSW day light saving time

You will need to be at Woodenbong on Saturday morning between 8.00am and 9.30am to check in and be ready for a 10.00am departure. (anyone is welcome to arrive Friday afternoon/night for a fun and friendly catch up)

**THE COURSE:** The course is approx 200km over about 4-5 hours. Most of the route is not overly rough, however there are a number of interesting and tricky tracks to traverers. Any car in good condition that has good tyres and adequate ground clearance should have no troubles. There will be a cruise/alternate route available for anyone wanting to miss the rough bits or just prefer to take it easy.

The course traverses mostly narrow and windy back roads and tracks through interesting and diverse country. There are a number of gates, plenty of interesting tracks and a never ending supply of "wow, look at that or where the hell are we".

**SPECIAL NOTE:** *Weather and climatic conditions along with everyone's safety and well being are of the highest priority. Fires and sporadic weather conditions down in this region have and will continue to play a part in the direction of the course and the day. Your cooperation and understanding with this is gratefully appreciated. The event is on regardless, however where we go and what we do may be dependant on the weeks & days leading in.*

**HOW MUCH:** The entry fee is \$100 per car. (payable on the day)

### WHAT YOU NEED:

- Any type or age of car can participate, as long it can handle some bush roads and tracks with gates, gullies and creek crossings. (alternate/cruise route to miss the rough bits available)
- Each car must have a UHF radio for safety and vehicle to vehicle communications. A hand held (5watt) unit is OK for this day.
- Basic safety items for safe and comfortable bush travel. First aid kit, spare water, hats, sunscreen, a 4wd snatch/recovery strap is also recommended to be carried.
- You will need something to measure distance; Speedo on the cars dash board is OK, or use a GPS or smart phone app. (app is called Rally Tripmeter. White icon with chequered flag)
- Your car must be in a safe and sound mechanical condition. Must be road registered, road worthy and only driven by a licensed, sensible driver.
- Fuel is available at Woodenbong.
- **SLOW IT DOWN, IT IS NOT A RACE! ALL regular road laws**, common sense, courtesy and safe practices are essential and must be used at all times. Speeding, unsafe driving or anything unlawful or stupid is not permitted, tolerated, encouraged or endorsed.

**CAMPING:** Great camping on both nights. (Fri & Sat at the Woodenbong show ground. Fee may apply, t.b.a)

**CATERING:** Catering has been arranged with the Woodenbong Progress Assoc from Saturday morning breakfast through to Sunday morning. Excellent meals at excellent prices. A packed lunch for Saturday will be available to purchase before departing. ALL meals are pay as you go. (cash only)

**BAR & BEVERAGES:** No bar, so please BYO. There is a terrific local pub and golf club that both do take away sales, so please support these local businesses as much as possible, thank you.

**LET US KNOW YOU ARE COMING:** It is important that we know you are coming and how many in your crew, so please advise in advance. Entry fee's to be paid at the start at Woodenbong.

Please pre-register on the web site: <http://www.roadbossrally.com.au/weekend-events.html>

**NEW TO THIS? No troubles:** A special information session for new folk will be held at 9.30am. So if this is your first RBR experience or you would like to listen and learn a little more, please take the time to attend. Regular briefing for all to attend will be at 9.45am.

**FURTHER DETAILS, CONTACT:** Jamie Lawson 0427 633 098
