Shiftin camp: Milparinka to Packsaddle (night 3. Thurs 11th) You would have seen in all our information and paraphernalia that on Thursday 11th July we were to be staying overnight at Milparinka. That has now changed and we will be spending the night at Packsaddle instead. During our recent mapping survey we went in search of some amazing country and found everything we were looking for, but in a different direction. The logistics didn't quite fall into place to work in with Milparinka, so to ensure a perfect night to compliment a perfect day out on the Road Boss Rally road, we made the decision to alter the stop to Packsaddle. Don't worry though, we will still get to visit Milparinka the following day and enjoy a bit of time in this historical little outback village. This was always a camping night so it shouldn't make any difference in the overall scheme of things. Packsaddle is a fantastic facility and has a wonderful community surrounding and supporting everything and everyone in that area. This is certainly a night you can look forward to and will remember for all the right reasons. Saddle up!

Broxburn Bound: Broxburn is a locality a few kilometres to the east of Pittsworth on Queensland's Darling Downs and will be the base camp for our next One-Day Fun-Day Road Boss Rally. Our annual Worker's Rally is traditionally held about a month before the main event and is a great shake down, warm up or just a chance to get the group together to have some fun. Whether you are doing this year's RBR or not doesn't really matter, everyone and anyone is most welcome to come and join in the fun.

Further and finer details will be sent out a little closer, but for now, scratch out Saturday 1st June in your calendar and rally up your mates and get ready to head to Broxburn for One-Day of Fun and adventure.

Motor cars and Music stars: Well we are not so sure about the Stars, but we are certainly going to have plenty of motor cars and music. Broxburn is a breeding ground for many up and coming country music artists and the stage will be set for everyone and anyone to come on up and strut their musical stuff. If you are not embarrassed to play or sing in front of an audience, up you come! The Broxburn stage will be set and ready for you to plug n play!

Be Driven!

You may have seen or noticed recently that we have adopted a short slogan "Be Driven"? So what does it mean and where does it fit you may ask.

In a world where no one reads anything any more there is a never ending quest to shorten things down as much as possible. While in general we don't get too concerned about this and just do our own thing, we were on the look out for a short and sharp one liner that fitted our identity. The word Driven fits our DNA perfectly in so many ways. We are all driven in our every day life to be the best we can be, we are driven to prepare our rally car as best we can to make it around the challenging Road Boss Rally course and we are perpetually driven to help others around us. Put simply, we are just driven people and we love to share this experience and our RBR community with everyone and anyone. So the slogan "be driven", is an inspirational term to entice others to dig deep and "be driven" just like we are, and to come join us on the RBR.

roadbossrally.com.au

Are you RBR ready? We have recently returned from the second of three mapping surveys and are very pleased and excited to report that this is going to be a sensational event at every level. Each and every Road Boss Rally is hand carved into the Australian landscape and even though we get into country we may have been in or near before, we always start with a fresh and blank canvas. The course, overnights stops and all the bits and pieces that gel it all together is a work of art. There is no doubt that the 2019 RBR will be equal to or better than anything we have put together in past. We are continually driven to take you into and through places you have never been and most likely never will again, and that is certainly the case this year. You should come on this year's rally with your eyes wide open and ready to see, enjoy and appreciate some amazing country deep in the heart of our Australian bush. Is it going to be challenging? You betcha! We never set out to make a car and heart breaking course, but we certainly go to extreme lengths to make a course that is not easy and will get you into some amazing places. To get there, it often means traversing little used and difficult bush tracks or like in a few case this year, no tracks at all!

Like every RBR, you need to begin your preventative maintenance early and ensure you and your car are ready and prepared. There are some very rough and challenging legs this year, however you will be pleased to know that those parts are easy diverted around if it's not your cup of tea or you would prefer to nurse your car. We aim to cater for everyone on the RBR, so whatever you like, or dislike, we are able to accommodate all your wants and needs. You might come home covered in mud, sand and dust with spinifex between your teeth, but you will also have a smile on your face that ajax couldn't wipe off.

2019 Door stickers ready and waiting.

No doubt you would be very eager to get your new 2019 RBR door stickers on the side of your car and no one is keener for this to happen as we are. We have had to be a little patient this year as we have been investing a lot of time into securing a major event sponsor. With the Bondi Rescue feature television show it brings with it enormous and very valuable marketing opportunities. Behind the scenes we have been tirelessly working and negotiating with various companies to secure everything and lock it away. This is quite a slow and precarious process and we sincerely appreciate your patience and understanding.

If you have an event coming up and you need some RBR branding, please do not hesitate to contact us and we will be sure to get you polished up and looking the goods.

Similarly with all our 2019 merchandise and other promotional gear, it is all designed and ready to hit the go button, we are just waiting on that final decision and we are good to go.

2019 JAGMAN ROAD BOSS RALLY TEAM

MORNING TEAS FUNDRAISING INVITATION

Coffee and Classic Cars
\$10.00 donation

GIVIT

Road Boss Rally
the driveway

At Kirkfare
Klassics

153A Kirby Road, Aspley 4034

Tuesday-Thursday between 10:00 to 11:30am

All proceeds for GIVIT

Preview classic cars at: <https://www.kirkfareklassics.com.au>

Jagman private museum open to

the public. If you find yourself in or around Brisbane anytime soon, or know someone who lives there, here is a rare opportunity to visit and view an amazing private collection of motor vehicles. You do not need to be a car nut to enjoy and appreciate a visit to Kirkfare Klassics. The warm welcome and hospitality alone is worth the trip.

Collin Galley and his team are opening up their doors and using this as an opportunity to raise funds for GIVIT, so it is a true win-win for everyone.

No need to call ahead or book, just rock on up and say g'day anytime between 10am-11.30am on a Tue, Wed or Thur.

Tassie to the Top End

SPIRIT OF TASMANIA:

For the adventurers who are looking at doing the entire Super all the way from Tassie to the Top End, the cost to go to and from Tasmania will be approx \$860 return. This is based on 2019 prices for 1 car and 2 people in shared accom. We will be seeking price support for a group booking with our event, however please budget for this amount initially.
