

COWRA:

Here's what you need to know:

WHERE: The trip will start and finish at the Cowra Golf Club.

WHEN: Saturday 7th March 2020.

WHAT TIME:

You will need to be at Cowra on Saturday morning between 8.00am and 9.30am to check in and be ready for a 10.00am departure. (anyone is welcome to arrive Friday afternoon/night for a fun and friendly catch up at a venue tba)

THE COURSE: The course is approx 300km over about 4-5 hours. Most of the route is not overly rough, however there are a number of interesting and tricky tracks to travers. Any car in good condition that has good tyres and adequate ground clearance should have no troubles. The course traverses mostly narrow and windy back roads and tracks through interesting and diverse country. There are a number of gates, plenty of interesting tracks and a never ending supply of "wow, look at that or where the hell are we".

SPECIAL NOTE: *Weather and climatic conditions along with everyone's safety and well being are of the highest priority. Fires and sporadic weather conditions down in this region have and will continue to play a part in the direction of the course and the day. Your cooperation and understanding with this is gratefully appreciated. The event is on regardless, however where we go and what we do may be dependant on the weeks & days leading in.*

HOW MUCH: The entry fee is \$100 per car. (payable on the day)

WHAT YOU NEED:

- Any type or age of car can participate, as long it can handle some bush roads and tracks with gates, gullies and creek crossings.

- You will need something to measure distance; Speedo on the cars dash board is OK, or use a GPS or smart phone app. (app is called Rally Tripmeter. White icon with chequered flag)
